Sick Call:

Please notify me of any Lions that we need to keep in our prayers

As we look for new members guests are always welcome and their dinner is free! Our goal for the New Year is to have each Lion bring a perspective member to dinner!

As 2009 comes to a close I would like to take this opportunity to thank each Lion and Lioness Member for all the many hours volunteered. As a result each of our projects and fundraisers have been successful.

Christmas Holidays:

Anticipation, preparation, recreation, prostration and recuperation!

May the Joys of the Christmas Season be yours throughout the New Year!

Respectfully submitted,
President Harry Blair
